international

diversity

What do we offer?

- A flexible, adaptable education
Students learn to understand the bigger picture, preparing them to become engaged citizens and to thrive in a competitive workplace
- An interdisciplinary curriculum that encourages combined majors
Albright students study more than **150** different combinations of majors!
- A close-knit community where professors know students on an individual basis
The Albright Creative Research Experience (ACRE) program provides opportunities to work one-on-one with professors.
- An uncommonly strong commitment to diversity
Our **41% diversity rate** helps students prepare for today's global workplace, where differences in backgrounds and perspectives are the norm.
- Strength in the arts, natural sciences and business; www.albright.edu/academics
