Thanksgiving break:
Residence halls will close at 6:00 pm on Tuesday, November 23rd and re-open at 9:00 am on Sunday, November 28th. International students may stay in residence halls no later than 10:00 am on Wednesday, November 24th and must come to housing office to sign up for this late stay. If you are in need of housing during this break, please let me know. We will have a list of local hotels and the rates and may possibly have host family options for you through Pastor Fu's church. Other options may become available as well, although they are not confirmed at this time; I will let you know as soon as I have more information.

Winter Break:
Residence halls close at 6:00 pm on Friday, December 17th and re-open at 9:00 am on Sunday, January 2nd. International students may stay in residence halls no later than 10:00 am on Saturday, December 18th and must come to housing office to sign up for this late stay. If international students are not taking an interim course, they may return with other students on January 2nd but they will need to pay the interim housing and/or meal plan fees (housing fee = $515 at the double room rate). No other exceptions will be made.

Spring Break:
Residence halls close at 6:00 pm on Friday, March 11th and re-open at 9:00 am on Sunday, March 20th. International students may stay in their permanent room assignments, at no additional charge, during spring break. RAs will be scheduled for duty during this time. However, it is strongly recommended that we receive a list of all international students who will remain on campus during this time since they will be the only students in housing, other than RAs and a few student teachers.

Easter Break:
Residence halls are open for Easter Holiday (April 21st thru April 25th). International students may stay in their permanent room assignments, at no additional charge, during this break. RAs will be scheduled for duty during this time.
